Hints And Cheats For Underground 2 Need For Speed Hints Underground 2 Cheats For PC Because it could be really fun and the last choice to try, but I'm not sure that's much of a option due to the fact that. For home versions of the game, there is a trainer called "NFSUB2" which you can find in the Download folder. The cars listed on this are not included in the game. "Live" cars (that are unlocked when playing the game) can be also unlocked by using unlock codes that are given by a trainer named "NFSUB2" which you can find in the Download folder. Be careful not to enter bad code like the GKD, or you will have to start all over again. It is much easier to read and work through the process with images than with writing out code so if you know how to enter cheats then you will understand my instructions. The first thing you need to do is to enter "NFSUB2" as the first code (1 is not necessary). NOTE: After entering the trainer code you need to press "OK". Once you have entered the trainer code you need to add the code "TEST" to the trainer code which is "NFSUB2". Once you add the code "TEST" you will need to press "OK" and now enter the following code you need to enter. Once you have entered the code you need to remove the code "TEST" which you just entered and press "OK". Save the game and now you can select any car you wish. Enter codes for the cars on the left side of the screen. Oct 22, 2018 There is a trainer that you can find in the game download called "NFSUB2" it will be in the trainer folder, just like normal trainers. Once you have downloaded and opened the trainer you need to enter the code you need to enter after the trainer. How To Unlock Cheats On Underground 2 For PC (Modern Day) The code "N" is not required, and there is no specific order for entering the codes. Just enter the codes in the order that it is written in the cheatbook. Enter the code on the 8th line and press "OK". Enter the code on the 18th line and press "OK". Enter the code on the 25th line and press "OK". Enter the code on the 31 f678ea9f9e
